

**MIAMI-DADE COUNTY, FLORIDA**  
**Public Improvement Bonds**  
**General Obligations of Miami-Dade County**  
**(Decade of Progress Projects)**

**SECURITY AND SOURCES OF PAYMENT ON THE BONDS**

**General Obligation Pledge**

The Public Improvement Bonds (the "Bonds") are general obligations of the County and are payable from unlimited ad valorem taxes on all taxable real and tangible personal property within the County (excluding exempt property as required by Florida law). The full faith, credit and taxing power of the County are irrevocably pledged for the prompt payment of both principal of and interest on the Bonds as they become due and payable. Pursuant to the Florida Constitution, there is no limit on the amount of ad valorem taxes a county may levy for the payment of general obligation bonds.

**THE PUBLIC IMPROVEMENT (DECADE OF PROGRESS) PROGRAM**

**Purposes**

On November 7, 1972, a referendum authorized the issuance of the County's Public Improvement Bonds, also known as the Decade of Progress Bonds, in the amount of \$553,100,000 to provide funds which, together with other available funds, were to be used to pay for the following projects. As of September 30, 2005, all but \$1,280,000 had been issued.

\$50,000,000 - Sanitary Sewage Systems, which included the acquisition, construction, enlargement, improvement and extension of sewage treatment plants, pumping stations, disposal systems, interceptors and transmission lines, and the acquisition of necessary land and equipment.

\$50,000,000 - Solid Waste Disposal Facilities, which included the construction, enlargement and improvement of incinerators, milling plants, trash milling facilities, transfer stations and sanitary landfills, and the acquisition of land and necessary equipment.

\$132,500,000 - Unified Transportation System, which included aerial fixed guideway rapid transit facilities, bus transportation facilities and equipment, together with the acquisition of the necessary land and rights-of-ways.

\$88,600,000 - Health Care Facilities, which included the acquisition, construction, enlargement, replacement, modernization and improvement of buildings and facilities, and the construction of parking garages and site improvements at the Jackson Memorial Hospital Complex, community health centers and mental health centers, and the acquisition of necessary land, furnishings and equipment.

\$34,700,000 - Public Library System, which included the construction of public library buildings and the improvement of certain existing library buildings, and the acquisition of the necessary land, furnishings and equipment.

\$75,800,000 - Recreational and Cultural Improvements and Facilities, which included the acquisition, construction, enlargement and improvements of parks, athletic facilities and recreational centers, beach improvements, campground improvements, marina enlargements and improvements, linear parks developments and improvements, landscape beautification, wayside parks, bicycle pathways, Miami-Dade County Auditorium improvements, improvements at Vizcaya Museum, including the construction of the new Arts Building, additions to the Museum of Science and Natural History, and a parking facility, the acquisition of the necessary sites and equipment, and the construction of administrative facilities.

\$8,000,000 - Zoological Park, which included construction of animal exhibit areas, acquisition of animals, educational facilities, internal transportation system and all necessary support facilities.

\$113,500,000 - Street and Safety Improvements, which included the acquisition and construction of traffic signals; a coordinated automatic traffic signal control system with pedestrian safety features, bus preemption capability, railroad crossing protection devices; street lighting, signs and appurtenances; intersection improvements; bus turning, storage and pull-out areas; construction and replacement of bridges; extending, widening, paving and surfacing streets; necessary drainage, curbs, gutters, sidewalks and landscaping; and the necessary acquisition of land and rights-of-way.

The following table shows the authorization of the Projects as voted upon by the voters of Miami-Dade County and the Series of Bonds that were issued:
